

Sec. 2.11 RC, Resort Commercial District

2.11.3 Lot Design Standards

In addition to complying with the requirements of Article 5, Lot Design Standards, all development in the RC district shall comply with the following standards.

A. Residential Uses

Within 200 feet of the Highway 191 right-of-way, residential uses shall only be allowed above the first floor. The first floor shall be reserved for non-residential uses within the 200 foot Highway 191 rights-of-way.
